

# Student Fellowship Application

The H. Henry Meeter Center for Calvin Studies

## Fellowship Description

Students of colleges, universities, or seminaries (other than Calvin) may apply for an appointment as a Meeter Center Student Research Fellow. The appointment carries an honorarium of \$1,250 for a period of no less than four weeks' duration (or twenty working days). The honorarium is intended to be used towards expenses incurred for the fellowship (travel, accommodations, food, photocopies, books, etc.). If the applicants receive a fellowship, they must come to the Meeter Center between July of the year in which the fellowship was awarded and the following June. On-campus housing is only available in June and July.

A Meeter Center Research Fellow normally undertakes a specific research program which implements the resources of the Meeter Center. Successful fellows are expected to acknowledge the assistance provided by the Meeter Center in any published work resulting from their period of research and to give an oral presentation on the results of that research toward the end of their stay in the Meeter Center.

## Fellowship Requirements

Applications must be received by the Meeter Center no later than January 1. They will be acted upon by the governing board or its executive committee. Notification of the award will be mailed shortly thereafter.
